OUR COMPANY

A BRIEF INTRODUCTION

We created our company in 1992 and since then, we have been specializing in lifting and maintenance of loads, working for the industrial and naval sectors.

OX WORLDWIDE is a division born from this previous experience that manufactures and commercializes very specific products of maintenance. We introduce our OX TROLLEYS (self-propelled trolleys), our OX CUSHIONS (air cushions system), and OX-ATTACK (dragging systems).

OUR COMPANY.

The products and the advising we supply are our standards of quality. We are provided of a qualified staff, proper facilities and we can send you any kind of information about the products you demand: sketches, detail layouts, certificates, instruction manuals, etc. Without compromise, consult us and we will advise you.

CERTIFICATE OF APPROVAL ISO 9001.

Our department of quality is guaranteed by periodic inspections and approval certificates by Lloyd Register Quality Assurance.
